3.13.2020

Pirate Athletics,

Continental Local Schools will be closed for three weeks starting Monday, March 16, 2020 in accordance with Governor Mike DeWine's mandate. In addition to closing school, all athletics are being suspended starting today (3.13.2020). This includes all practices, scrimmages, and contests. There will also be no open gyms or use of the weightroom. This also includes the elementary soccer program on Saturday mornings. In the next coming days we expect to receive information from the OHSAA how we will proceed once the three weeks have passed.

I know this is not an easy time for our student-athletes, especially our seniors, however, the safety and health of our students is the number one priority and we will do everything we can to maintain a safe environment.

Once again, I will try to keep everyone informed as much as I can whenever we receive direction from the OHSAA. If you have any questions, please email with any concerns and I will try my best to find an answer for you.
